Innovations and pearls

Module 11: Snoring Surgery: How I do it

Speaker

Prof. Ofer Jacobowitz, MD, PhD, FAASM

ENT and Allergy Associates, New York, New York.

He is an internationally recognized expert in obstructive sleep apnea and nasal disorders. He is the co-director of Sleep at ENT and Allergy Associates, LLP, the largest ENT group in the USA and is an associate professor at Northwell/Hofstra University. He has authored many peer reviewed journal articles, book chapters and is the associate editor for the textbook "Sleep Apnea and Snoring". He is a fellow of the American Academy of Otolaryngology Head and Neck Surgery, where he received the honor award and is the chair-elect of the Sleep Disorders Committee. He is a fellow of the American Academy of Sleep medicine where he served on the national outcome measures task force for sleep apnea and is a past national chair of the sleep-related breathing disorders section. He is a researcher in implantable hypoglossal neurostimulation, having performed the first one in New York.
