Innovations and pearls

Module 13: Awake Rhino and Sinus Surgery

Speaker

Dr. Shahzada Khuram Ahmed

Consultant ENT and Skull Base Surgeon at Birmingham's Queen Elizabeth Hospital NHS Trust

He graduated from The University of Birmingham Medical School and obtained Higher Surgical Training in Hospitals in the West Midlands. He undertook advanced training in sinus and nasal surgery in South Africa, America, Germany and Switzerland, and then spent a year on an advanced rhinology fellowship with world renowned surgeons at Queens Medical Centre, Nottingham before he was appointed as Consultant ENT and Skull Base Surgeon at Birmingham's Queen Elizabeth Hospital NHS Trust in 2010.

Special guest

Dr. Jaime Viera Artiles

Rhinology, Endoscopic Sinus and Skull Base Surgeon at Hospital Universitario Marqués de Valdecilla, Santander.

ENT Specialist, he specializes in rhinology, endoscopic sinus and skull base surgery. After a Clinical Fellowship at the Vancouver General Hospital, University of British Columbia in 2016-17, directed by Dr. Arif Janjua, he is now member of the "Research and Innovation in Surgery" group from IDIVAL and of the European Rhinology Society junior board.
