Via Álvaro del Portillo 21, 00128 Rome

# Day 1: May 6<sup>th</sup>, 2022

- 11.30** Registration & Welcome light Lunch
- 12.30** Introduction *M. Casale (in person)*  
**Institutional greetings**  
Prof. V. Denaro  
*Scientific director, Campus Bio-Medico University Hospital Foundation*  
Prof. V. Di Lazzaro  
*Dean, Faculty of Medicine and Surgery, Campus Bio-Medico University*
- I PART**
- 
- OSAS AND SNORING**  
**Moderators:** R. Capasso (in person), C. Vicini (in person)  
**Discussants:** M. Milkov (in person) I. Braverman (in person),  
O. Jacobowitz (in person), R. Lugo (in person), A. Moffa (in person),  
E. Olszewska (in person)
- 12.45** **Lecture: UPPER AIRWAY SURGERY FOR OSAS: IS STILL THE TAIL END OF THE DOG?**  
C. Vicini (in person)
- 13.00** New diagnostic tools to screen and assess a still too underestimated disease: the role of the wrist-worn watchpat device  
G. Pillar (virtual)
- 13.15** **Lecture: TREATMENT GOALS FOR OSAS IN THE ERA OF PRECISION MEDICINE: THE SLEEP GOAL**  
K. Pang (virtual)
- 13.30** New strategies to reduce body weight  
N. Napoli (in person)
- 13.45** Discussion
- II PART**
- 
- OROPHARYNX AND PALATE SURGERY IN OSAS AND SNORING**  
**Moderators:** De Vries (in person), M. Casale (in person), K. Pang (virtual)  
**Discussants:** M. Milkov (in person), F. Montevercchi (in person),  
C. O'Connor (in person), L. Pignataro (in person), V. Rinaldi (in person)
- 14.00** The anatomical & physiological basis of remodelling surgery of pharynx  
C. O'Connor (in person)
- 14.15** Sleep endoscopy: lights and shadows  
F. Montevercchi (in person)
- 14.30** The remodelling surgery of pharynx: the lateral wall management  
C. Vicini (in person)

- 14.45 Decision making in palatal surgery for OSA  
E. Olszewska (in person)
- 15.00 Discussion
- 15.10 COFFEE BREAK
- 15.35 LIVE SURGERY
- 16.35 **Lecture: COULD OSAS CAUSE HEARING OR BALANCE DISORDERS?**  
A. Moffa (in person)
- 16.45 **Lecture: PREVENTION OF SLEEP APNEA IN PROFESSIONAL DRIVERS AND THEIR TREATMENT**  
M. Milkov (in person)

### III PART

---

#### TONGUE BASE SURGERY

**Moderators:** O. Jacobowitz (in person), C. Vicini (in person)

**Discussants:** P. Baptista (in person), L. De Benedetto (in person),  
N. De Vries (in person), R. Lugo (in person), C. O'Connor (in person),  
E. Olszewska (in person)

- 17.00 The world around the tongue  
(Open, Coblation, Touss, Criotherapy, Laser, Robotic)  
F. Montevecchi (in person)
- 17.15 Tongue surgery: my approach  
R. Lugo (in person)
- 17.30 Hypoglossal nerve stimulation  
(external, semi-implantable, implantable)  
R. Capasso (in person)
- 17.45 Tongue electrical stimulation for OSAS and snoring  
S. Ahmed (in person)
- 18.00 **Lecture: HOW TO PREVENT SLEEP SURGERY FAILURES**  
R. Anand (in person)
- 18.15 Coblation assisted barbed reposition pharyngoplasty;  
our five years experience  
A. Bahgat (virtual)
- 18.30 Anatomic and pathophysiologic considerations in surgical  
treatment of OSA.  
V. Agrawal (in person)
- 18.45 Discussion
- 19.00 **CLOSURE Ist Day**

## Day 2: May 7<sup>th</sup>, 2022

- 07.45 Registration (dentists) and welcome coffee
- 08.15 **Lecture: ORAL APPLIANCE: A NEW PROTOCOL TO RECOGNIZE RESPONDER/NONRESPONDER PATIENTS**  
L. Levrini (in person)
- IV PART**
- 
- THE ROLE OF RHINO AND SINUS SURGERY  
IN OSAS AND SNORING
- Moderators:** P. Baptista (in person), M. Rigante (in person)  
**Discussants:** S. Ahmed (in person), M. Casale (in person),  
M. Furtado (virtual), A. Marzetti (in person), E. Sitzia (in person),  
J. Viera (in person)
- 08.30 **Awake rhino and sinus surgery for OSAS and snoring**  
O. Jacobowitz (in person)
- 08.45 **Nasal reconstruction**  
P. Persichetti (in person)
- 09.00 **Lecture: new emerging drugs for CRSwNP with comorbidities:  
is the end of surgery ?**  
G. Paludetti (in person)
- 09.15 **Profillofiller and non surgical rhinoplasty**  
M. Basso (in person)
- 09.30 **Surgery for improving CPAP, MAD and positional  
therapy compliance**  
R. Lugo (in person)
- 09.45 **Discussion**
- 10.00 **LIVE SURGERY**
- 11.00 **COFFEE BREAK**
- 11.30 **Lecture: Pediatric Sleep Disorders: What's New?**  
I. Braverman (in person)

## **V PART**

---

### **NON-SURGICAL TREATMENT IN MULTIMODALITY STRATEGIES FOR OSAS**

**Moderators:** P. Baptista (in person), R. Lugo (in person)

**Discussants:** M. Milkov (in person), M. Montevercchi (in person), C. O'Connor (in person), C. Vicini (in person), D. Vicheva (in person)

- 11.45**      **Approach to snoring: my way**  
O. Jacobowitz (in person)
- 12.00**      **Minimally Invasive multilevel procedures: surgical and non-surgical coe interventions**  
M. Pulido (in person)
- 12.15**      **Positional therapy: new devices, results and side effects**  
N. De Vries (in person)
- 12.30**      **Which patient can benefit from myofunctional therapy for OSAS and snoring?**  
C. Ferreira (in person)
- 12.45**      **Apps for myofunctional therapy**  
C. O'Connor (in person)
- 13.00**      **Discussion**
- 13.10**      **Lecture: TAILORED TREATMENT STRATEGIES FOR OBSTRUCTIVE SLEEP APNEA**  
C. Vicini (in person)
- 13.25**      **Lecture: THE FUTURE IN OSAS AND SNORING IN THE ERA OF PRECISION MEDICINE**  
R. Capasso (in person)
- 13.45**      **LUNCH WITH THE FACULTY**
- 14.30**      **YOUNG SURGEONS SESSION AWARD**  
**in memory of Prof. Mario Mantovani**  
**Chairman:** L. Pignataro (in person)  
**Discussants:** M. Barbieri (in person), A. Bianchi (in person), M. Cassano (in person), M. Marzetti (in person), A. Moffa (in person), V. Rinaldi (in person)
- 15.30**      **Hands on laboratory experience on nasal surgery**  
**Hands on laboratory experience pharyngeal surgery**
- 17.30**      **CLOSURE IIInd Day**
- 20.30**      **Faculty dinner**

## PARALLEL SESSION 7th MAY 2022

---

### DENTAL SLEEP MEDICINE CLUB

**Moderator:** L. Levrini (in person)

**Discussants:** F. Altamura (in person), P. Cozzolino (in person), M. Lopez (in person)

- 8.45 - 09.00**      **Course presentation and management of sleep dental flow. A common language between ENT and dentist**  
M.Lopez (in person)
- 09.00 - 09.15**      **Evaluation of new Oral Appliances**  
L. Levrini (in person)
- 09.15 - 09.30**      **Management of patient with OSAS in dental office**  
F. Altamura (in person)
- 09.30 - 09.45**      **Use of different devices in the magement of patient with OSAS**  
P. Cozzolino (in person)
- 09.45 - 12.00**      **Workshop: how can be used devises in the diagnosis, treatment and check the OSAS**

\* Updated to April 26th, 2022

### REGISTRATION FEES:

Max 100 residential participants; max 100 on line

- Didactic Plus Hands-On Lab: 600,00 € (Limit to 32 participants)
- Didactic and Lab Shadow Only: 400,00€ (Limit to 30 participants)
- Didactic ONLY: 300,00€
- Residents/Fellows Didactic Plus Lab Shadow: 200,00€
- Virtual Registration with Recording Access: 80,00 €
- Dental Sleep Medicine Club: 200,00€ (Limit to 30 participants)

## **CHAIRMAN**

Peter Baptista (Spain)  
Claudio Vicini (Italy)

## **COURSE DIRECTOR**

Manuele Casale (Italy)

## **SPECIAL GUESTS**

Robson Capasso (USA)  
Rodolfo Lugo (Mexico)  
Kenny Pang (Singapore)

## **INTERNATIONAL FACULTY**

Vikas Agrawal (India)  
Shahzada Ahmed (UK)  
Raju Anand (India)  
Marco Barbieri (Italy)  
Ahmed Bahgat (Egypt)  
Yassin Bahgat (Egypt)  
Matteo Basso (Italy)  
Alessandro Bianchi (Italy)  
Itzhak Braverman (Israel)  
Enzo Calabrese (Italy)  
Paolo Campisi (USA)  
Michele Cassano (Italy)  
Pasquale Cozzolino (Italy)  
Giovanni De Vincentiis (Italy)  
Nico De Vries (Holland)  
Pietro Ferrara (Italy)  
Claudia Ferreira (Italy)  
Miguel Furtado (Portugal)  
Clemens Hiser (Germany)  
Ofer Jacobowitz (USA)  
Mustafa Kapadia (Dubai)  
Luca Levrini (Italy)  
Vitaliana Luccarelli (Italy)  
Andrea Marzetti (Italy)  
Giuseppe Magliulo (Italy)  
Mario Milkov (Bulgaria)  
Filippo Montevecchi (Italy)  
Nicola Napoli (Italy)  
Carlos O'Connor (Spain)  
Ewa Olszewska (Poland)

Fabio Pagella (Italy)  
Gaetano Paludetti (Italy)  
Pier Carmine Passarelli (Italy)  
Jose Ignacio Peraldi (Mexico)  
Paolo Persichetti (Italy)  
Lorenzo Pignataro (Italy)  
Giora Pillar (Israel)  
Guillermo Plaza (Spain)  
Arturo Poletti (Italy)  
María Pulido (UK)  
Mario Rigante (Italy)  
Vittorio Rinaldi (Italy)  
Fabrizio Salamanca (Italy)  
Emanuela Sitzia (Italy)  
Dilyana Vicheva (Bulgaria)  
Jaime Viera Artilles (Spain)

## **LOCAL SCIENTIFIC COMMITTEE**

Luigi De Benedetto (Italy)  
Michele Lopez (Italy)  
Lorenzo Sabatino (Italy)

## **SCIENTIFIC SECRETARY**

Lucrezia Giorgi (Italy)  
Antonio Moffa (Italy)
