Module 6: USE OF PIEZOSURGERY in Skull base approaches and endoscopic DCR

Speaker

Dr. Aurelio D'Ecclesia

Head of Unit of Video-assisted ENT surgery, Maxillo-Facial Surgery, Otolaryngology and Dentistry Unit, Hospital Casa Sollievo della Sofferenza, San Giovanni Rotondo, Italy.

Dr. Aurelio D'Ecclesia is a specialist in Otolaryngology. His main fields of interest are middle ear surgery, endoscopic sinus surgery, Endoscopic Tear Duct Surgery - Endoscopic Dacryocystorhinostomy (endoscopic DCR), snoring and sleep apnea surgery, functional and aesthetic nose surgery. In 2001, he specializes in Otolaryngology at Università Cattolica del Sacro Cuore in Rome. In the following years he attended a specialization fellowship in microsurgery of the middle ear and lateral skull base at the Otological Group of Piacenza, and carried out a Fellowship in Endoscopic Surgery of the paranasal sinuses and the anterior skull base at the University of Insubria in Varese. He is currently Head of the Department (UOS) of Otolaryngology at the Ospedale IRCCS Casa Sollievo della Sofferenza in San Giovanni Rotondo, Foggia.
